# Moving Abroad Checklist

## 8 weeks before move date

- Map everything in your new city
- Provide notice to your landlord
- Make a moving budget.
- Create a binder for all of your documents
- Downsize before packing
- Research international moving companies
- Make a room-by-room inventory
- Identify any items that might need special care

## 6 weeks before move date

- Prepare boxes for packing
- Get moving supplies
- Take pictures of your belongings
- Label your boxes
- Choose a moving company
- Plan your moving dates
- Prepare home for sale

## 4 weeks before move date

- Contact a moving company
- Take care of moving insurance
- Make your travel arrangements
- Contact your utilities
- Fill any prescriptions you might have
- Start packing up everything

## 2 weeks before move date

-  **Change address**
-  **Give out your new address**
-  **Update all documents, including driver's license, and car registration**
-  **Confirm your move dates with the moving company**
-  **Host a moving away party**
-  **Get a babysitter and/or pet sitter**

# 1 week before move date

-  Clean before moving out
-  Pack clothes and belongings
-  Do final preparations before the moving day
-  Collect all keys
-  Take photos of your empty home
-  Identify and mark unpacking priorities
-  Finish packing up everything
-  Prepare essentials for the road

# Moving day

- Wake up on time
- Make a path for the furniture
- Clear a path from house to moving truck
- Check paperwork details
- Sign movers' inventory list
- Conduct a final walk-through
- Tip the movers

## 1 day after move

- Start unpacking
- Check utilities
- Change locks
- Clean the home before settling in
- Set up beds and bathrooms
- Get groceries
- Leave a moving review
- Plan a housewarming party

## 2 weeks after move

- Finish unpacking
- Clean your new home
- Settle in your new home
- Stop any mail from previous residents
- Make spare keys
- Meet the neighbors
- Have a moving-in party
- Save and put away your moving binder
